13% Overall Similarity

The combined total of all matches, including overlapping sources, for each database.

Match Groups

- 120** Not Cited or Quoted 12%
Matches with neither in-text citation nor quotation marks
- 3** Missing Quotations 0%
Matches that are still very similar to source material
- 3** Missing Citation 0%
Matches that have quotation marks, but no in-text citation
- 0** Cited and Quoted 0%
Matches with in-text citation present, but no quotation marks

Top Sources

- 10% Internet sources
- 9% Publications
- 7% Submitted works (Student Papers)

Integrity Flags

0 Integrity Flags for Review

No suspicious text manipulations found.

Our system's algorithms look deeply at a document for any inconsistencies that would set it apart from a normal submission. If we notice something strange, we flag it for you to review.

A Flag is not necessarily an indicator of a problem. However, we'd recommend you focus your attention there for further review.
